If TNS Essential Serum is part of your regimen, you do not need to use another antioxidant product. TNS Essential Serum* contains a very high-performing antioxidant combination.

ONE REGIMEN. ULTIMATE VISIBLE RESULTS.

In a 24-week clinical study, physician assessments showed that the **GRASS Regimen** worked *for every patient*: 100% of patients had smoother-looking skin and reductions in the appearance of fine lines and wrinkles.¹

Of the 72 participants, at week 24:

100% had **SMOOTHER** looking skin¹

100% had reductions in the appearance of **FINE LINES AND WRINKLES**¹

97% had improvements in the appearance of **DARK SPOTS AND PATCHES** on their face¹

THE CLINICAL STUDY GRASS REGIMEN:

- TNS Essential Serum* twice daily after cleansing
- LYTERA* Skin Brightening Complex twice daily after TNS Essential Serum*
- Retinol Complex 0.5 every other night after LYTERA* during the first week, then every night thereafter
- Plus, a basic skin care regimen: Facial Cleanser, Rejuvenative Moisturizer, and Daily Physical Defense* Sunscreen Broad Spectrum SPF 30+

*About the study:

This 24-week study included 72 men and women, aged 30 years and older with various skin types. The participants had moderate to severe sun damage and skin discoloration on their face.

1. Data on file, SkinMedica, Inc., 2014.

SEE THE DRAMATIC DIFFERENCE

Baseline

Over the course of the 24-week study, this woman showed significant improvements in the appearance of dark spots and patches on her cheeks and forehead.

Baseline

Look at how this woman's face brightened up, especially in the cheek and nose area, during the 24-week study.

RAVE REVIEWS

Here's what **GRASS Regimen** users had to say after the study.

"Improved the overall appearance of my skin."

96% agreed!
