NEOSTRATA

Reveal smoother, clearer,
younger looking skin!

Chemical peels safely treat a variety of skin concerns including antiaging, acne and uneven pigmentation. Our office proudly offers physician strength NeoStrata ProSystem Peels that deliver clinically proven benefits with minimal downtime to include:

- ✓ Softer, smoother skin; clear pores
- ✓ Promotes even skin tone and reduces the appearance of dark spots
- ✓ Reduces appearance of fine lines/wrinkles
- ✓ Firms skin, plumps and volumizes
- ✓ Skin feels more elastic and looks younger

Photoaging

Baseline

After 4 peels

Acne

Baseline

After 6 peels

Individual results may vary and a series of peels may be required to yield the best results. Please speak to a staff member to learn more or to schedule a peel.
